*We, the Class of
1959, Do Dedicate
to You, Lena Lease,
Our Mountain Echo!*

Loyal, true—devoted as can be,
Ever ready to collect the ticket money
Never will we find one as willing as you
At undertaking the extra jobs there are to do.
Lucky we have been these last 15 years,
Even though you didn't always call us "dears."
As they say—"Parting is such sweet sorrow"
Surely we'll see you some other tomorrow—
Ever remember us, as we will you

Good-by, God Bless You—and Adieu!

Principal's Message

Congratulations to the Senior Class of 1959!

Our "Mountain Echo" has been the result of hard work on the part of the yearbook staff, and especially to our advisor, Miss Lease. We are grateful to all of you who have given us, through your efforts, this wonderful book with memories of the past school year. We hope you will remember the many pleasant things that have happened to you. They did not just happen—you, through your right way of doing things, brought about pleasant incidents. You possibly remember some things that were not so pleasant, such as being needlessly late or absent, or failing to do necessary assignments. Memories of these events are not so pleasant.

These things have all been steps in learning how to live with people. Let us hope that we have learned by the things done well to continue them in that manner, and by those not done so well, to have improved ourselves for the future.

I wish to personally express my thanks, and I am sure the thanks of all our students, teachers, and others, to Miss Lease who has done such a wonderful job on our yearbook all these years. We are sorry to see Miss Lease leave us, and we wish her the best of luck and hope she comes back to see us often.

Sincerely,
P. A. MIRANDA

REHEARSAL!!

Class Will

We, the class of 1959, village of Star Lake, State of New York, do on this day, make, ordain, publish, and declare this to be our last will and testament.

To the BOARD OF EDUCATION we leave all of the furniture that we have damaged during our four years of high school.

JIM PARK leaves his Monday mornings "grog blossoms" to ROBERT VAN HOUSE—Hic! Hic!

JANET POMERVILLE leaves her extra height to SONJA SHERMAN. Maybe you'll reach 5 feet now, Sonja!!

PENNY ROWAND appoints SUE STEINHILBER as guardian of Ed. Pl-e-e-ze, take extra good care of him, Sue. Penny says that he's awfully delicate!!!

LENA SENTER leaves her job as Mr. Bero's number one assistant to AMY MUDGETT. Let's keep Mr. Bero's office in order next year, Amy.

ELAINE GARDNER bequeaths her ability to argue with Mr. Carter to BONNIE FAIRBANKS. Let's make some noise in Social Studies class, Bonnie.

CAROL PLOOF leaves her passion for redheads to CHARLOTTE LA ROSE. Let's exchange that blond boy friend of yours for a redhead. Carol says they're quite attractive.

RICHARD PROVOST leaves his selling ability to some ambitious junior. Rip hopes you are as successful as he was.

JANET BABBITT leaves "nothing to nobody"!! She just leaves!!!

ROGER BACKUS bequeaths his ability to fracture the English language to PHYLLIS ROBERTSON. We hope you can talk your way out of as many situations as Rog did!

DONALD BOYD leaves his wide grin to FRANCELLE KLOCK. Try to flash it around school as much as Don did.

MARY BUSH and BEVERLY GOTHAN offer their ability to get along with each other to LINDA CARPENTER and GLORIA McINTOSH. Let us know the results!

RICHARD DE GOUFF leaves his ability to tell a lie with a straight face to JEAN BABBITT. We'd like to hear some "Whoppers," Jean.

JEFFREY DE LAIR leaves his ability to get fresh in German, to LINDA HOGAN. Warning . . . Be sure no Germans are present!!

GARY THIVIERGE leaves his interpretation of "Little Violet" to MAX WATSON. Here's hoping you have as much fun doing it as Gary did!!

SHIRLEY VAN COUR leaves her quiet ways to DOROTHY RIXON. Let's make use of them, Dot!

ROBERT SWANSON wills his fast moving car to any slow poke junior. Let's get with it, kids!!!

CLIFFORD ALLEN leaves his ability to draw cartoons in English class to GEORGE KINNEY. Cliff guarantees it won't get you good marks, George, but it's a lot of fun!

SHERRY PROVOST leaves her ability to talk, whether she is supposed to or not, to ED PHOENIX. Let's keep the jaws "flappin'," Ed!!

Class Prophecy

It is the year 1979! People are arriving in Star Lake by car, bus, train, and plane to attend the reunion of that fabulous Class of 1959! They have all gathered in the familiar cafeteria of the old Alma Mater. Let's find out what each is doing.

JANET BABBITT is now engaged in writing a new novel entitled "Chapples After Midnight." Her "happy" hours spent there have given her a lot of material to work with.

ROGER BACKUS is the proprietor of the once famous "Bluebird Inn." It is now called "Backus' Bar." So far it hasn't been very successful! He seems to drink up all the profits.

DONALD BOYD is the talented goosetep instructor in the Russian Army. Even their Sputniks are goosestepping around space!

MARY BUSH just flew in from Arabia in her private plane—a gift from her adoring husband, King Saud. (She's his 87th!)

RICHARD DEGOUFF is a pioneer in his field. He's the first "house father" in a college sorority. We always knew Dick would find success in his chosen field!

JEFFREY DE LAIR has put his artistic ability to work. He is the official interior decorator at Sing Sing. Now, he can be sure where his bread and water will come from for the next ten years.

NORMA DUBEY has put her college education to work. She took a special course in lap-sitting. We hear that she's her boss' favorite secretary.

GARY FAIRBANKS is hailed as a genius by men all over the world. He has invented a "Do it yourself" girl robot kit. It's selling like wild fire!

JERRY FINLEY still has his farm but has made an amazing addition. He has a special section of chocolate cows!

ELAINE GARDNER went to business school. She has been with the same office for the past 19 years, and the firm of Dudley, Allen, and Allen, flysprayers, couldn't exist without her.

BEVERLY GOTHAM, after much hard work, finally became Rock Hudson's personal secretary. She is amazed at how many of her former classmates fight for the privilege of being her best friend.

DONALD GUANCIALE'S pleasing smile has brought him fame and fortune. He is the official model for all the Pepsodent Ads in CHARM, VOGUE, and GLAMOUR. We shudder to think that Donnie almost gave up his career in high fashion to become a mere engineer.

ROBERT HANLEY gave up his engineering career. Bob holds the post of Social Director for the Greenwich Village Bohemians. We are glad that he found a job that was "off the beaten path."

DAVID HUNKINS finally struggled through Engineering School. Now, he has become famous for his plans to Irrigate the moon for a modern Devil's Island.

CLARENCE KING has taken Jackie Gleason's place as the World's Largest Comedian. Clarence's corny jokes

are rubbing off on the public. Hey, Clarence, your shoes are on your feet!!

LEROY LASHUA is a noted divorce lawyer in Hollywood. He is highly recommended because of his experience with his own lawsuits. P.S.—He could use more business to pay his alimony!

LAWRENCE LAW has achieved great success with the help of his voice and swivel hips. He has changed his name to Chaing Presley, the Elvis of China!

CAROL MARSH still couldn't choose among her many suitors; so she married them all. Now, she is in Hudson Prison For Women with a life sentence for bigamy.

JIM PARK, because of his middle name, "Oiving," established his own little firm in Brooklyn called, "Oiving's Wiggly Woirms, Inc." Jim tells us his business is very successful.

RONNIE PATTERSON traded legs with his brother, and is making history as the first white man on the Harlem Globe Trotters. "Rookie" Patterson tells us he is putting on an exhibition at Clifton-Fine soon in an attempt to help the Class of 1979 make more money than his class did.

CAROL PLOOF was unable to attend the reunion because she and Dick were unable to find a baby sitter to take care of all the little Paynes.

LEE PLOOF is a famous ex-barber specializing in Elvis cuts. He has taken Perry Como's place on his Saturday night TV show. We understand the relaxed atmosphere is just what Lee wanted.

LYNNE PLUMLEY was named "Woman of the Year" by "Life" for her outstanding modeling ability. She is in the Mack Truck's Ad for "Which is the truck and which is the model?" Penny has also been elected president of the "Over 200 lb." Club.

RICHARD PROVOST made history as the first football coach to be mistaken for the ball. He was kicked over the goal post. They got the extra point, too!!!

JANET POMERVILLE won the title of Miss America with the support of all her friends and relatives. The Newton Falls clan multiplied until they took over the country. Therefore, Janet was swept into office!

PENNY ROWAND is Dean of Men at Yale University. Her husband, Ed, urged her to take the position so that he could complete his education free of charge.

LENA SENTER, the once notorious "blonde bomber" dyed her hair black in an attempt to escape the constant pursuit of the male sex. She succeeded!

JERRY SNOW is head janitor at the Capitol Building in Washington, and he goes by the name of "Babe" Snow. Bulletin!! The Capitol Building will be closed today for lack of heat and water.

GARY THIVIERGE, in his office as majority leader in the Senate, is the champion of the filibuster. Senator Thivierge talked for 40 days and 40 nights without stopping.

SHIRLEY VAN COUR, due to her experiences as a senior in high school, drives a bus from the Ranger School to Star Lake on Saturday nights. Unfortunately, the bus is very old and it often breaks down on back roads.

Senior Trip!

On June 12, 1958 at the Newton Falls Hotel, one of our favorite teachers, Mrs. Parrish, who had devoted 26 of her 43 years of teaching to this area, received some of the recognition she justly deserved. The Board of Education, teachers, and other personnel feted her with a testimonial dinner. She was presented with a gold watch, certificate of merit, and personal gifts.

We, the Yearbook Staff, salute you, Mrs. Parrish, for a job well done! We are happy you were honored upon your retirement but we regret your departure from us.
